TU General Information

Tumaini University was founded by the Evangelical Lutheran Church in Tanzania (ELCT) in 1997 following decision of the Executive Council of the ELCT in its meeting of 11th August, 1996. The establishment of the University follows the decision of the Government of Tanzania to liberalize the education sector and subsequent enactment of the Education (Amendment) Act. No. 10 of 1995. The University is recognised by the Tanzania Commission for Universities. Tumaini University at present consists of six Constituent Colleges namely: Iringa University College (IUCO), Kilimanjaro Christian Medical College (KCM-College), Makumira University College (MUCo), Dar es Salaam College (TUDARCo), Sebastian Kolowa University College (SEKUCo) and Stefano Moshi Memorial University College (SMMUCo)

Mission

The Mission of the University is to engage its Faculties and students in studies of higher learning committed to the pursuit of truth through scientific research and inquiries. Its main objective is to promote higher education in its broadest sense delving into fact-finding under the guidance of and in obedience to the word of God.

Location

The University administrative headquarters are located in Moshi Municipality – off the junction of Kilimanjaro and Sokoine roads – opposite Nyerere Primary School about 5 kilometres north of Moshi town

Academic Semesters of the University

The academic semesters for the various University Programmes range between August-October depending on specific requirements of the Constituent College

Information on Admission and fees

Tumaini University admits students without inclination to religious or political belief, race, ethnic origin, nationality or sex. Enquiries on admission and fees should be addressed to the respective Constituent Colleges using the following addresses:
