Navigating the Stages of Critical Consciousness Development

	From Charity to Caring	From Caring to Social Justice	Maturing one's Critical Consciousness
Information & Research	Population served and related social issues, such as homelessness and poverty.	History of race and racism, systems of oppressions, institutional racism; Research own racial and ethnic history.	Political and economic systems, capitalism and globalization, critical theory
Service Experiences	Direct service to people and agencies dealing with poverty; Interactions with people from other ethnic and racial groups.	Agencies/organizations addressing both immediate needs and long-term solutions.	Advocacy, grassroots community groups, lobbying and political organizations
Reflection: Inward	Reflection on personal values, responsibility to others.	Reflection on white racial identity & privilege; internalized racism, sexism, and classism.	Reflection on power, knowledge & control. Hegemony, counter- hegemonic practices, collective action.
Reflection: Outward	Reflection on how things are and how they should be; Create alternative vision for society.	Reflection on systems of oppression and institutional racism.	Reflection on power relations, class structure and social reproduction. Cultural capital, discipline &surveillance
Reflection: Methods	Reflection through discussion, perspective- taking, problem-posing, films.	Reflections through critical dialogue, perspective-taking, problem-posing, critical narratives.	Reflection through critical dialogue, ideological critique, and discourse analysis.
