FAX 309-794-7544

Action of Committee: _____

Notified student: _____

By: _____

Recorded in Colleague: _____

Date: _____

Note: _____

Fees: _____

Information for Students Wishing to Submit a Petition to the Committee on Advanced Standing & Degrees

Statement of AS&D Procedure

By providing numerous planning tools and opportunities for academic advising, the college makes every attempt to see that all students may graduate with a single major within four years. However, students may choose programs or opportunities that include additional requirements which may extend the degree beyond four years. The student assumes the responsibility for seeing that all requirements are complete regardless of the time required and agrees to pay all tuition and fees associated with those choices. The Committee on Advanced Standing & Degrees (AS&D) does not waive degree requirements, tuition or fees for participation in those programs. Students who feel they have a rare and exceptional circumstance, may petition for a waiver.

The AS&D committee wishes to inform students that petitions are not routinely granted for:

- scheduling convenience of the student
- creating a lighter course load for the student
- changes in major/minor or adding multiple majors/minors
- poor planning on the part of a student
- failure to adhere to well published policies and deadlines
- acceleration of graduation
- students who have repeatedly dropped coursework
- avoidance of tuition and/or fees
- students who interrupt their enrollment at the college for one or more terms

Students should consult the college catalog for all current faculty academic policies.
